"If one wonders why 2D shouldn't die, this is one of those reasons." -IGN.com

The legend lives on in 2001 with a new member in the Fire Pro family. Arguably the most respected wrestling franchise in Japan, Fire Pro revives itself after Human's (the original publisher) demise. The new features include the availability of objects to use as weapons inside and outside of the ring, an online network option, and support for up to eight players simultaneously over the net.
